- Indoor and UL-rated outdoor models available
- Full extension drawers and shelves glide smoothly in and out of cabinet on commercial-grade stainless steel ball bearing glides - even when fully stocked
- Brightly illuminated by adjustable Cool Blue and Crisp White LED lighting for clarity and convenience
- Stainless steel interiors and exteriors
- Full 3 Year Warranty

For Show and Strength

Glass doors feature **Low E, Argon filled dual-pane thermal glass with UV resistant coating** to limit energy transfer through glass and add increased strength - indoors or out

RAPIDcool Technology

All models feature **Perlick's exclusive RAPIDcool forced-air refrigeration system** for unmatched cooling capabilities and temperature control

Unmatched Shelving

Perlick's exclusive **Full Extension Shelves** pull completely out of the cabinet to make stocking and retrieving product easy. **Stainless steel ball-bearing glides** provide smooth movement in and out of cabinet even when fully stocked.

Sleek Look of Stainless

Perlick's **stainless steel interiors and exteriors** provide added durability and strength, as well as a sleek, modern look. **Stainless steel** is also easy to clean and is a sanitary surface that doesn't harbor stains, odors or mold.

undercounter refrigeration

SIGNATURE SERIES DUAL-ZONE

FREEZER / REFRIGERATOR DRAWERS

- Store fresh and frozen food at their appropriate temperatures
- Separate zones means no transfer of too-cold temperatures to the top compartment

Meet the kitchen island's perfect companion - Perlick's new 24" Signature Series **Dual-Zone Freezer/Refrigerator Drawers**. Whether you stock it with snacks and treats for the kids, or make it your trusted sous chef, Perlick's exclusive dual-zone design keeps goods perfectly chilled in the top drawer, and frozen in the bottom thanks to two independently-controlled temperature zones.

24" Signature Series Dual-Zone Freezer/Refrigerator Drawers (model HP24ZS-3-5 shown)

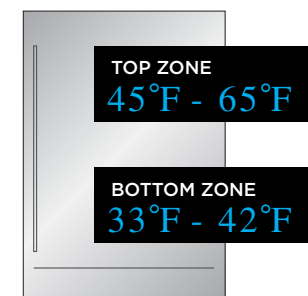

24" Signature Series Dual-Zone Refrigerator/Wine Reserve (model HP24CS-3-4L with custom overlay shown)

Perlick's new 24" Signature Series **Dual-Zone Refrigerator/Wine Reserve** doesn't play favorites. With two independently-controlled temperature zones, you can store wine, beer, and food - all at their appropriate temperatures. Store your favorite red vintages in the top zone without compromising the temperature of the cold craft brews in the bottom zone.

SIGNATURE SERIES DUAL-ZONE

REFRIGERATOR / WINE RESERVE

- Store wine and food (or cold beverages) at their appropriate temperatures
- Accommodates 14 bottles of wine in top zone
- Bottom zone features full extension refrigerator shelf for easy stocking and retrieving of product

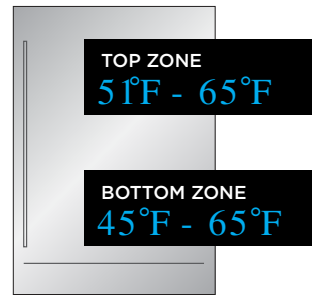

SIGNATURE SERIES DUAL-ZONE

WINE RESERVE / WINE RESERVE

Product Highlights

- Store red wine and white wine at their appropriate temperatures
- Full extension wine shelves are black vinyl coated to gently cradle bottles and reduce vibration
- Top zone (red wine) holds 14 bottles, bottom zone (white wine) holds 18 bottles

Just the right amount of space to store your curated collection of wine. Perlick's new **Dual-Zone Wine Reserve/Wine Reserve** provides two independently-controlled temperature zones to accommodate both red and white wine vintages at their optimal serving temperatures. Full extension shelves provide smooth and easy access to bottles, which are gently cradled in seven different positions on specially designed black-vinyl coated shelves.
