

Today's agenda: relaxation. Unwind from a long day, long week or long day that feels like a week with the 3-piece chaise lounge set from the Harper collection by Mōd. Simple in style but anything but basic, the set includes two sling chaise lounge chairs and 40,000 BTU fire pit table. Life can be hard, but setting up your outside oasis is easy. The chaise lounge chairs are lightweight enough to make for easy transport and storage, yet made with strong, weather-resistant fabric and rust-proof aluminum frame for maximum durability. The compact and clean gas fire pit is easy to use with push-button ignition and flame control, while its fuel tank is neatly concealed within the durable powder-coated steel frame, and accessible through a convenient access door. The fire pit is an outdoor asset day or night—the ceramic tile tabletop doubles as a coffee table and includes a lid to cover the burner when it's not in use. Created with all-weather materials, you'll be able to seek respite in your backyard paradise for years to come.
