

The **Harper 11-piece sling dining set from Mōd** may be simple, but it's anything but basic. Strong, weather-resistant fabric cradles your body to bring ultimate delight while you dine at the end of a well-fought day. A rust-proof aluminum frame adds durability to the furniture, allowing you to sink into maximum comfort and stability. The expandable table takes this set to another level, letting you convert from an intimate meal with your partner to an effervescent party with space for 10. This dining set enables you to afford quality patio furniture equipped to entertain a few friends or many in your outdoor retreat courtesy of Mōd Furniture.
