

Set the scene for your next outdoor occasion with the Riley 7-piece dining set by Mod. This classic collection includes 6 dining chairs and faux-woodgrain slat top dining table. It's decked out with everything you love about Mid-Century Modern design like tapered legs, rope accents and scoop chairs, but with contemporary benefits like sturdy aluminum frames, covered with a powder coating to extend protection against rust, scratches, and UV harm. The chairs' wrapped rope accents are the true focal point of the set. Adding comfort to style, the chairs have thick, plush cushions and back pillows that are quick-drying and maintain their shape even if they're left out in the rain. Made with all-weather materials, this set will be the focal point for friendly weekday get-togethers and sun-soaked family weekends for years to come.
