

Sahara 9.8-Ft. x 9.8-Ft. Soft Top Gazebo

Create a comfortable outdoor living space with this elegant Sahara Soft Top Gazebo by Hanover.

This modern outdoor structure not only adds style to your backyard but also offers shade from the sun's harsh rays while allowing a cool breeze to pass through. It features two side panels that pop out to extend added protection from the sun to even more of your guests. This gazebo comes equipped with curtains and a roof vent for added comfort and style. Made with heavy-duty rust-resistant and weather-resistant steel frames, this gazebo also has come with a high-performance powder coating, which protects it from rust, scratches and harmful UV rays.

Enjoy family, friends, and outdoor living under your new Hanover gazebo.
