

Not only is the Everson **chaise lounge chair** by Mōd super comfortable with padded sling fabric, it's also extremely versatile. The chair back can be situated in multiple positions for your comfort during the day and then fold up completely into a third of its size for easy storage at night or through the off-season. Made with durable all-weather materials that are rust-, stain-, and UV-resistant, this chaise is perfect for sunbathers on the go or with a small patio or terrace.

Features

- Padded sling folding chaise lounge from the Everson Collection
- Folds flat for easy storage and portability
- All-weather materials will last year after year
- Additional comfort afforded by foam covered in sling fabric
- Breathable sling fabric dries quickly, resists stains and UV harm
- Legs feature non-skid grips for increased stability
