

AIREMAX

APH10CE

Portable Air Conditioner

A CONVENIENT ALTERNATIVE

- This air conditioner has no outdoor unit and does not require professional installation
- Easy to install exhaust hose to the unit
- With four way caster, easy to move

MULTIFUNCTION & EFFICIENT

- It can be used as an air conditioner, a fan cooler and a dehumidifier.
- Self-diagnosis function and 24 hours ON/OFF timer.
- Self-evaporative system, condensate water recycled inside the unit to improve energy efficiency.
