# WARNINGS

The Keveri H1 is easy and safe to use. Always remember to be vigilant and use common sense to avoid hazards. We invite you to read this guide of precautions in order to use this product in awareness.

## Installation of your Keveri H1

---

Follow the assembly instructions that are in the package of your Keveri H1.

### WITH ATTACHED CART:

- Do not leave on uneven or non-leveled surfaces.

### WITHOUT ATTACHED CART:

- Do not set your Keveri H1 on a wooden surface or flammable flooring.
- The surface must be able to bear more than 330 lb.

## Moving your Keveri H1

---

- A minimum of 2 people is required to move your Keveri H1.
- Do not lift or move your Keveri H1 held by the door handles.
- Do not move your Keveri H1 while it is turned on or still hot.
- Do not move your Keveri H1 on uneven or non-leveled surfaces.

## Lighting your Keveri H1

---

- Follow the instructions of the Owner's Manual to turn your Keveri H1 on.

- When turning on your Keveri H1 keep both doors closed.
- Do not use an electric lighter to light up the charcoal.
- Do not use alcohol, fuel or flammable liquids to ignite the charcoal.

## Using your Keveri H1

---

- Burning charcoal or wood releases carbon monoxide, an odorless, invisible gas that can even lead to death. Always use your Keveri H1 outdoors or in ventilated areas with appropriate extraction equipment.
- Consider local law for the use of your Keveri H1 and required distance between your equipment and walls or possible hazardous fire sources.
- Never tighten and lock the side nuts that hold the hatch.
- Do not use your Keveri H1 at over 840°F.
- Do not look inside the chimney or bottom vent.
- Keep away from children and pets while your Keveri H1 is turned on or still hot.
- Do not leave preparation unattended for long periods of time.
- Do not use your Keveri H1 for different tasks other than which it was created for.
- This product is not for commercial use.

- Always use Keveri accessories to avoid fire hazards or malfunctions of the product.
- Do not use accessories from other brands, as they may not be suitable for the H1.
- Wait for charcoal to be completely out to store it in closed spaces.
- Do not use near flammable liquids.
- Do not use water to extinguish burning fat.
- Always have a type BC or ABC fire extinguisher at hand to avoid accidents.
- Wait for complete extinguishment before putting up the cover.
- Be wary of hot food, platters and accessories.
- Do not move the Keveri Firebox while the charcoal is still lit.
- Do not use glass, plastic, ceramic or clay trays in your Keveri H1.
- Do not use more than 6 lb of charcoal in your Keveri H1.
- Close chimney and bottom vent to turn off your Keveri H1.
- The use of alcohol or drugs can impair your ability to operate your Keveri H1 correctly and safely.
