

Broan / E6048TSS

ELITE 48" Range Hood, 1200 CFM Blower, 2-Way

The Broan-NuTone E6048TSS Elite Series 48-inch Pro-Style Wall-Mount Range Hood with Dual Internal Blowers is fresh and modern, yet designed to easily complement popular pro-style cooking products. Designed to duct either horizontally or vertically, true professional style and performance has never been easier to bring home. This range hood boasts professional features such as a powerful blower, baffle filters with handles, brilliant two-level halogen lighting and variable speed controls with speed memory. And while you won't see this feature it is hard to miss the quiet operation. Plus, Heat Sentry detects excessive heat and adjusts blower speeds automatically. When you want professional style and performance, trust BROAN to cover every detail!

- Fits in any kitchen with its classic wall mount design
- Vent all dirt and air pollutants like smoke, steam, and grease from your kitchen with this 48" wide vent hood
- This stainless steel color vent hood adds a touch of sleek and contemporary to your kitchen
- Constructed of 22 gauge, type 430 stainless steel with #4 brush finish
- Centrifugal blowers are 350 CFM, 2 Sones on low and 1200 CFM, 14.5 Sones on high
- Heat Sentry automatically adjusts blowers up to high when excess cooking heat is detected
- Solid state, infinite rotary speed control remembers last setting
- Blue power on indicator light
- Bright halogen lighting with 2 settings (uses 3 GU10 50W bulbs sold separately)
- Pro-style, dishwasher-safe baffle filters with removable grease drip rail
- HVI 2100 Certified
- Title 24 Compliant
- U.L. and cUL listed
- Size: 48-inch
