

Broan / E6442SS

ELITE 42" Range Hood, 600 CFM Blower, 2-Way

The Broan-NuTone E6442SS Elite Series 42-inch Pro-Style Under Cabinet Range Hood with Integrated Internal Blower is fresh and modern, yet designed to easily complement popular pro-style cooking products. Designed to duct either horizontally or vertically, true professional style and performance has never been easier to bring home. This range hood boasts professional features such as a powerful blower, baffle filters with handles, brilliant two-level halogen lighting and variable speed controls with speed memory. And while you won't see this feature it is hard to miss the quiet operation. Plus, Heat Sentry detects excessive heat and adjusts blower speed automatically. When you want professional style and performance, trust BROAN to cover every detail!

- Fits in any kitchen with its classic wall mount design
- This 42" wide vent hood helps release the fumes and smoke, thus making your kitchen well ventilated
- Have a better look at what is cooking under the hood with the halogen bulb
- Cook in style with this stainless steel color vent hood
- Centrifugal blower is 150 CFM, 1.5 Sones on low and 600 CFM, 13.5 Sones on high
- Heat Sentry automatically adjusts blower up to high when excess cooking heat is detected
- Solid state, infinite rotary speed control remembers last setting
- Blue power on indicator light
- Bright halogen lighting with 2 settings (uses 3 GU10 50W bulbs sold separately)
- Pro-style, dishwasher-safe baffle filters with removable grease drip rail
- HVI 2100 Certified
- Title 24 Compliant
- U.L. and cUL listed
- Size: 42-inch
