

Broan / SPE136SS

Spire 36" Hood, 600 CFM Blower, 9" High

Broan brings you Spire, an exciting new shape in a pro-style hood. The new ENERGY STAR certified design incorporates modern features like the quiet Captur™ system and LED lighting.

- Model replaced EPLEC136SS
- The Captur™ system's advanced blower design features a centric inlet to remove smoke and odor faster. Three-speed blower control exhausts at a powerful 600 CFM
- Forward placement and smooth-flow blower wheel design ensure quiet, <0.3 Sones operation at normal speed
- Tap-touch, 3-speed capacitive control features a smooth, easy-to-clean surface
- Dishwasher-safe, hybrid baffle filters provide ultra-efficient grease removal with superior air flow. The filter clean reminder ensures they will always maintain a high level of capture
- EZ1 brackets enable single-person installation in less than half the time of traditional methods
- ADA compliant, remote operation is possible using a standard UL approved wall switch.
- Bright, two-level ENERGY STAR® LED modules - supported by a 3-year warranty - illuminate evenly and are tested in cooking environments to ensure long life without dimming. Color Temperature 3000 K
- Non-duct capable with use of charcoal filters, sold separately. Hidden louvers on top of hood exhaust away from cabinetry
