

The Seaside Collection

The Seaside sling chaise lounge from Hanover may be simple, but it's anything but basic. The chaise's sleek, clean lines are accented with faux wood detailing on the arms for an extra dash of style. The chair has several adjustable reclining positions, perfect for reading, napping, and extended relaxation. Its rust-proof aluminum frame is light weight, sturdy, and durable. The chaise's sling fabric is breathable, quick-drying and above all else, incredibly comfortable. Made with all-weather materials, you'll enjoy timeless style from the Seaside collection for years to come.
